

THE 7TH ANNUAL BURGERS & BREWS FESTIVAL & COMPETITION

A benefit for the CWA 4-H, FFA & Collegiate Scholarship Funds

You are participating in a unique lifestyle event that promotes the best of locally raised meats and hand-crafted brews. The event is sponsored by the San Luis Obispo County California Women for Agriculture, a non-profit, non-partisan agriculture organization dedicated to preserving and protecting agriculture and agritourism in San Luis Obispo County through advocacy and education.

This is truly a unique event where ranchers provide their own specialty burger recipe made in “tasting” portions for guests from all over the Central Coast. Brew masters will provide beer “tastings” that will be enjoyed with each of the various local ranch burgers. Burger and Beer Stations will be scattered about the Loading Chute Barn and Gardens, allowing folks to wander from burgers to brews, savoring these local tastes, while enjoying the sounds of Monte Mills & the Lucky Horseshoe Band.

As guests enter the venue, in exchange for their admission, they will be greeted & welcomed with an event guide, souvenir beer mug and a tasting tray. To add a little more excitement to the event, guests will also have the opportunity to vote for the People’s Choice Award for Best Central Coast Burger and Micro-brew, as well as the Best of Show Award. Local Celebrity Judges will also be awarding for their Central Coast Favorites!

Thank you for joining us and participating in this truly unique event! Should you require additional information or have any questions, please contact us...
