Greetings from the San Luis Obispo County Chapter of the California Women for Agriculture (CWA)! CWA is a non-partisan, all volunteer group which represents California's agricultural community for the mutual benefit of consumers and producers of food and fiber. Like California's agriculture community, the highest priority of SLO County CWA is to educate and inform the public of issues impeding the farmers' right to farm and the consumers' right to choose.

SLO County CWA was proud to charter our Chapter at Cattlemen and Farmer's Day at the California Mid State Fair in July of 2009. We are using 2015 to fine tune the programs and events our Chapter laid firm foundations for in our infancy. This is where you can help. As a recognized supporter of agriculture, we ask that you consider being a Donor Member of SLO County CWA. Should you choose to become a Donor Member, you would be recognized as a sponsor on our website (www.cwaslocounty.com) and at events throughout the year.

SLO County CWA participates in a number of events and activities to promote agriculture locally and statewide. Our Chapter helps educate the community by participating in The Great AGventure, California Mid State Far, as well as CWA Statewide Meetings, Capital Ag Day, and other state events concerning agriculture. Many of our members are active in our State organization.

We were founded based on a commitment to agriculture and are proud to recognize deserving students who will become productive members of the agriculture industry. We offer two types of scholarships, one to students who are pursuing careers in agriculture and another to 4H and FFA exhibitors at the California Mid State Fair. Since 2009 we have awarded over \$19,000 in scholarships.

In addition to our scholarships, we host two celebrated events, Burgers & Beer Tasting Festival & Competition and The Ag Advocates Mixer. Burgers & Beer is a family friendly event that promotes local meat producers and local beer brewers. The Ag Advocates Mixer is an event which SLO County CWA brings together agricultural organizations from neighboring counties to unify the agriculture industry's vision and message.

You know we cannot accomplish our lofty goals alone. With strong partnerships from deeply rooted people like you, our essential message will resound with friends, neighbors, and our community at large. We encourage you to complete the enclosed Donor Members form and return it at your earliest opportunity, along with your donation. We are a 501(c)5 non-profit trade organization. Checks may be made payable to San Luis Obispo County CWA {Taxpayer ID: 95-3129063}.

Thank you for your support of San Luis Obispo County California Women for Agriculture!

Sincerely,

Sarah Kramer
Past President & Finance Director
